# Climb Every Mountain To Success

## What I need to do to achieve my best Step??

6	I can use a wide range of geographical words to explain key points	I can start to choose questions to find the answers I need to solve a problem	I can select which skills to use to find information	I can present my findings in a report of writing and graphs	I can process all information then reach a conclusion
5/6	I can use a range of geographical words to explain key points	I can write suitable questions to make sense of information	I can use primary and secondary data to find information	I can start to explain why	I can start to explain my opinion
4	I can use simple geographical words	I can give short simple answers..	I can use simple evidence to find answers	I can describe, label and recognise	I can give a clear opinion
Steps	Use Key words and vocabulary	Ask and answer questions	Use sources to observe and record (maps, photographs..)	Present and analyse evidence (write, speak and draw)	Evaluate evidence and reach conclusions

TASKS- Your task is to produce a travel brochure that really captures the best of the UK. You need to research 10 places, buildings or landscapes that really show what a great place the UK is.

1. Produce a title page
2. Do a contents page- List your 10 places, buildings or landscapes that show the best of the UK- You will need at least 1 from each of the 4 countries that make up the UK ( England, Scotland, Northern Ireland and Wales)
3. You must locate the 10 places, buildings or landscapes on a UK map accurately and give the map a title.
4. You need to then produce a Fact File for each place, building or landscape you have chosen.
5. You will need to write a paragraph explaining your choices.

Best of Luck!!

## Presentation Of Your Work
