An exciting opportunity has become available at our state of the art school. This is an excellent opportunity for an enthusiastic and highly-motivated classroom practitioner.

The successful candidate must have:

- The ability to teach Science up to KS4,
- The capacity to work collaboratively as part of a developing team,
- A passion for their subject that drives them to help pupils achieve their very best.

We will offer you:

- An extensive CPD programme to nurture and develop your talents at all levels,
- A professional, hard-working and supportive team that works together to create a welcoming, vibrant learning culture inclusive to all,
- Access to a network of successful schools to share best practice and develop career prospects at the highest level.

The Trust is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share the commitment and undergo appropriate checks, including enhanced DBS checks and a willingness to demonstrate commitment to the standards. All references will be taken up prior to interview.

The role is covered by part 7 of the Immigration Act 2016 and therefore the ability to speak fluent spoken English is an essential requirement for this role.

## About the Employer

The Telford Park School is sponsored by Amethyst Academies Trust (AAT)

The school is set in Telford, a bustling town centre nestled in the backdrop of the idyllic Shropshire countryside. There are a wealth of diverse attractions, both historical and contemporary, that attract visitors. The Ironbridge gorge is very popular, as are the picturesque market towns of Much Wenlock and Newport. Also, the excellent transport links mean that cities such as Birmingham and Manchester are in easy reach for further exploration.
